

# origami

## 6 easy steps:

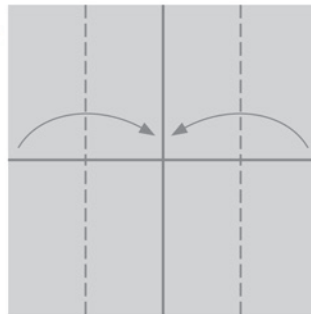

1

Fold both sides of the square in half and unfold.

2

Then fold the left and right side in to meet the centre line.

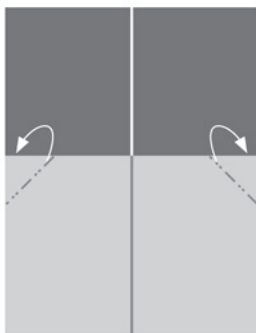

3

Now lift the bottom upwards and fold on the dotted line.

4

Fold back the corners as shown below.

5

Keep folding. Four more corners to go!

6

Now give your bunny, eyes and a nose. How cute!
